Weigh In: In regards to Covid – 19 we feel that it is in the best interest of the kids to skip this process. With that said to run fair tournament we need all participants to be very accurate and honest when entering weights into the online registration.

Fans: We are allowing each wrestler to have family members only.

Covid – 19 Protocol: Hand Sanitizer will be at main entrance, concession stands, and scoring tables. In between each age group we will sanitize the mats. Mask must be worn by all fans, workers and athletes, with the exception of on the mat activities. We will also need help from everyone to maintain social distancing. Remember this is a very delicate situation and the Falls City Public Schools are being very reasonable with our wrestling program.
